► KIT

Hart & Huntington Kit

One of the original high-flying pioneers of freestyle motocross, not to mention the innovator of the Hart Attack and backflip tricks, Carey Hart is now a successful Supercross and Supermoto team owner. When it's time to line up and race, team bikes fly the Hart and Huntington kit by One Industries.

H&H - Lifestyle

Whether you're down for high rolling along "The Strip", making the scene inside Carey Hart's Wasted Space night club, or looking to emblazon yourself with some new ink, it's all rock and roll and you live for it. To celebrate the freestyle motocross icon who so very much personifies the counter-culture sector of our great sport, One Industries presents the H&H "Lifestyle" kit. It'll scream out to everyone that you have your own way of doing things.
